Reference marks in the drawings

100	PDP
101	Front glass substrate
102	Rear glass substrate
103	Display electrode
104	Display scan electrode
105	Dielectric glass layer
106	MgO protective layer
107	Address electrode
108	Dielectric glass layer
109	Barrier rib
110R	Phosphor layer (red)
110G	Phosphor layer (green)
110B	Phosphor layer (blue)
122	Discharge space
150	PDP driver
152	Controller
153	Display driver circuit
154	Display scan driver circuit
155	Address driver circuit
200	Ink dispenser
210	Server
220	Pressure pump
230	Header
230a	Ink chamber
240	Nozzle
